

Description:

River Valley Golf Course is a family owned and operated course in Adel, Iowa. We are looking for help inside and around the clubhouse for customer service positions. These positions can be Part or Full-time and range from event hosting, daily food & beverage services, beverage cart on the course, and fleet cart attendants. In accordance with state laws, we are seeking those 16 and over to operate carts and 18 and over to serve alcoholic drinks.

Being an 18-hole facility, we have 165 acres of land to not only maintain, but improve each season. We take pride in keeping our course in great shape for our golfers and need help to do so. Our grounds crew tasks range from mowing and basic landscaping to other course improving projects. We are looking to fill grounds crew positions with individuals excited to learn what it takes to service a golf course. Previous experience is preferred, but not required as training will be provided. We are looking for both full and part time workers throughout the upcoming golf season. Due to operating machines, we need applicants to be at least 16 years old to operate carts, and 18 years and older to operate mowers & tractors.

We strive to facilitate a fun working environment look forward to getting the chance to talk with you soon! Please check out our website at www.rivervalleygolf.com for more details on our "Job Opportunities" page. There you will also find a link to download our job application. Please feel free to contact us at general@rivervalleygolf.com for any questions.
